To Whom It May Concern,

Animals Fiji (operated by West Charity Trust Society) is a registered Fiji charity with a focus on animal welfare. We operate the ONLY Veterinary clinics /services in the Western and Northern Divisions of Fiji (a human population of over 600,000), where owners can seek treatment for their pets as well as wildlife. We operate as a welfare agency operating outreach programs and clinics throughout Fiji. One of our clinics, Nadi, also functions a shelter taking in strays, injured and abused animals, who are treated and rehomed. One of our most critical goals is to reduce the epidemic of stray and diseased roaming dog and cat populations that plague villages, towns rural areas, through de-sexing (spay/neuter) programs.
